OPEN SOURCE PRINCIPLES WAIVER

Hey there! I am declaring that this example document and software provided are absolutely awesome! Like, seriously, they are the bee's knees!

I want to make it clear that I fully support and adhere to the open source principles outlined in the GNU Affero General Public License version 3 (AGPLv3). You can count on me to be a responsible and law-abiding citizen of the open source world!

Of course, I also understand that the document and software are provided "as is" and without any warranties or representations, express or implied. So, if anything goes wrong, you won't catch me pointing fingers at anyone but myself.

But let's be real here, we're all going to have a great time using and sharing this awesome document and project! And I can't wait to be a part of it!
